OUR OWN SHOP

WE BUILD IT OURSELVES

Most remodeling companies order their millwork from outside suppliers and wait for it to arrive. We have our own production facility, so we control what gets built, how it’s built, and when it’s ready.

Changes in 24 hours

VERONA HOME

THIS IS WHY DESIGN MATTERS

Now imagine skipping all of that: one 3D rendering, a signature, and then years of living with the kitchen on the left instead of the one on the right.

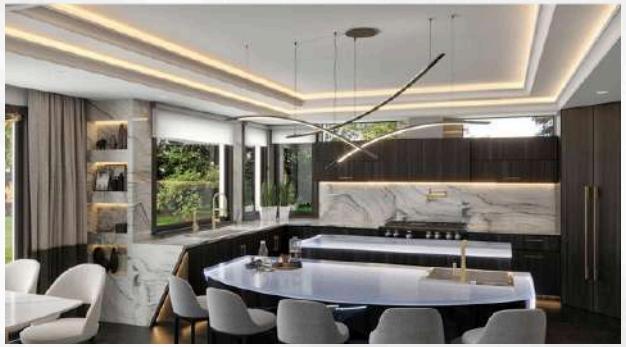

The design phase is where those decisions are made — and it represents only a small fraction of the total project investment.
